

4 Healthy Ways To Use Fiesta Fruit Cocktail

[Del Monte Fiesta Fruit Cocktail](#) is already a known favorite in making fruit salads, but its magic doesn't end there. Not even close! In fact, this healthy, tasty product can be your dessert partner all year round! Check out these tasty and healthy dessert recipes we have for you to start your year with a bang!

Fruit Cocktail Jam

Don't worry about your leftover fruit cocktail and instead, try to be more creative by turning these into a jam. Serve it with bread for *merienda* and you have yourself a winning treat!

Fiesta Kani Salad

If you were unable to use some of your fruit cocktail during the holidays, then add these to a vegetable salad instead. It's good to eat something healthy after all the sumptuous and indulgent food served during parties.

Overnight Oats

Mix your extra fruit cocktail with your oatmeal and greet your family with this crunch, fruity and sweet breakfast treat. Your kids will definitely love waking up early in the morning if you serve this cool delight.

Sinukmani

This Filipino dessert recipe is so easy to prepare — it only takes 5 minutes! Just use what's left of your fruit cocktail as toppings for this local dessert, which is perfect for an afternoon treat.

With Del Monte Fiesta Fruit Cocktail, it can be a fiesta everyday! Have a great time creating these amazing treats!
