

Add Some Fruits To Your Favorite Dessert

One of the most common things asked after every meal: "What's for dessert?" Ice cream and cake are amazing desserts, but adding fruits can make indulgent desserts healthier.

Here are a few tried and tested recipes with [Del Monte Fiesta Fruit Cocktail](#) you can whip up for the family this weekend.

Fiesta Float

Experience the flavors of pineapples, crunchy papaya, delicious cherries and chewy nata de coco all at once, mixed with the sweet, goodness of cream on a Graham cracker crust.

Gelato Blast

Smooth, creamy, cool ice cream goodness mixed with flavorful fruit. It could be a perfectly cool ending to an awesome meal.

No-Bake Fruity Cheesecake

Who doesn't love a good slice of cheesecake? With **Del Monte Fiesta Fruit Cocktail**, you don't have to limit your cheesecake to one type of fruit! Expand your options with this new take on a classic favorite.

Rice Cooker Upside Down Cake

No need to have an oven to create this dessert! Mix [Del Monte Fiesta Fruit Cocktail](#) with hotcake mix, water, egg, and melted butter, pour these into a pan that will fit the steamer basket of your rice cooker, wait for it and, *voila!* You've got yourself a yummy, fruity cake!

These desserts are not just an easy way to satisfy your sweet tooth, these are also delicious ways to amp up your health by giving you vitamins and nutrients!
