

Commitment To Quality And Safety

Del Monte Philippines has always been committed to nourishing healthy families and enriching lives, every day. For the past 90 years, the continued trust and patronage of our products have inspired us to strive for excellence and innovation so that we offer only the highest quality products for our valued consumers.

In fulfilling this commitment, we adhere to comprehensive, globally-recognized product standards and the strictest food safety management policies. We also subject our processes to regular audits by reputable, independent auditors to certify that our products are safe and of the highest quality.

Rest assured that we will continue to provide quality products that are perfectly wholesome and thoughtfully prepared for all families to enjoy.
