

Del Monte Partners With Various Groups To Donate Goods

Del Monte Philippines, Inc. (DMPI) continued to donate to more NGOs for the healthcare professionals and other frontliners, as well as marginalized communities. To date, the company has given away sundry products to over 40 organizations, primarily in and around Metro Manila, during the quarantine.

It is our privilege to serve alongside all of you.

We thank you for your generosity and kindness during these trying times.

Thank You!

Healthway Medical

Del Monte teamed up with Healthway Center

To enhance the health and well-being of about 150 frontline workers who work tirelessly during the pandemic

Del Monte joined forces with Food for Hungry Philippines

To provide food products to assist about 13,000 families in Malabon, Navotas, Bulacan and Bicol

Del Monte supports the AFP Civil Relations Service

By providing various products to provide meals for the less fortunate thru their program "Kapwa ko, Sagot ko" using the AFP Mobile Kitchen

Thank you Del Monte for supporting the AFP's program Kapwa Ko Sagot ko. With your donated items, the AFP Mobile Kitchen became a vessel of blessing. Together, we did not only feed our kababayan, but we gave them a share of happiness, hope and faith that the spirit of Bayanihan is still burning amongst us Filipinos. Our kababayans enjoyed the Chicken Afridata served in San Juan and Binondo Manila; Chicken Pochero served in Pasig; Spaghetti served in Quezon City and Pasig; and Pinanyahang Manok served in Malabon.
