

Pineapple Summer Delights

Summer is great for family bonding, but can be a challenge for planning mealtime menus. Feed your family healthy and refreshing meals and snacks. Here are a few delicious recipe suggestions from the Del Monte Kitchenomics collection:

Roast Chicken Burger

Children sure like burgers. But fast food is not the healthiest food, this we know. Prepare a healthier very own healthy and sumptuous version using pineapples with this Roast Chicken Burger recipe.

Pineapple Chunks with Salted Caramel Sauce

A can of [Del Monte Pineapple Chunks](#) is a great snack in itself, but this recipe takes it up a notch by pairing it with salted caramel. Kids are sure to enjoy the sweet and tart flavors of Pineapple Chunks with Salted Caramel Sauce. Enjoy with some vanilla ice cream for a summer-perfect delight!

Pineapple Scramble

Here's a twist on an old favorite. What better way to beat the summer heat than with this delicious and refreshing fruit cocktail bowl. Pineapple Scramble combines the flavors of the fruits and syrup, and marries it with the refreshing chill of crushed ice.

Pineapple Milkshake

Juicy, milky, and creamy come together in this tropical milkshake. The tartness and sweetness of the pineapple is perfect for a drink blended with milk. This fruit shake is perfect to enjoy during those sweltering summer afternoons.
