

The No Bake Mother's Day Cake

Looking for a special cake to prepare for your mom on her special day, but don't have the oven that you need to make it? Or maybe you want to shake things up a little from the usual fare and try something different? In any case, a no-bake cake is the perfect solution for you.

Check out this video and be inspired to make this healthy yet indulgent cheesecake sits on top of a no-bake graham cracker crust that's quite impossible to resist.

Happy Mother's Day to all moms!
