

Your Better Life Begins Here!

Welcome to the new Del Monte website!

Here, you can learn how to become better across the many aspects of your life – from health to relationships, in your home and beyond the kitchen. Here, you will discover that each visit is different because Del Monte understands what truly matters to you. The inspirations, solutions and stories that you

will encounter along the way will be unique to you and especially created for you.

The screenshot shows the 'My Meal Planner' interface on a wooden-textured background. At the top is the 'Life Gets Better' logo and a navigation menu. The main heading is 'My Meal Planner' with a progress indicator showing four steps. Below this is a calendar for August 2016. A green arrow points to the calendar with the text 'select a date or date range from the calendar'. Another green arrow points to the 'MAKE MEAL PLAN' button with the text 'Click this button to start making your meal plan'. Below the button, it says 'You have 1 out of 20 meal-plans. You can save up to 19 more. Click here to manage your meal plans.' and 'or try out our recommended meal plan for the week!'. At the bottom, there is a grid of meal cards for each day of the week, each with a photo and a 'View Meal' link. A green starburst icon says 'Try this meal plan!'. The footer contains the 'Life Gets Better' logo, social media links, a sitemap, and contact information.
