The screenshot shows the 'My Meal Planner' page on the Del Monte website. The page has a light wood-grain background. At the top, there is a navigation bar with links for Home, Our Products, Kitchenomics, What's New, and About Us. The main heading is 'My Meal Planner' with a sub-heading 'Get organized and plan a whole week's worth of recipes to save time and effort.' Below this is a calendar for August 2016. A green arrow points to the calendar with the text 'select a date or date range from the calendar'. Another green arrow points to a 'MAKE MEAL PLAN' button with the text 'Click this button to start making your meal plan'. Below the button, there is text: 'You have 1 out of 20 meal-plans. You can save up to 19 more. Click here to manage your meal plans.' and 'or try out our recommended meal plan for the week!'. At the bottom, there is a grid of meal options for each day of the week, including 'Cheesy Chicken Grilled', 'Acado Pot Roast', 'Vet Monte Egg Bites', 'Tangy Spicy With Pineapple', 'Chicken Fillet Teriyaki', 'Classic Caldereta', and 'Pasta Banana Salad'. A green callout bubble says 'Try this meal plan!'. The footer contains the Del Monte logo, social media links, a sitemap, and contact information.
